

Consider an Executive Council Position for 2021-2022!

When considering a position as district director, state program manager, staff, or even state president, you will want to make an informed decision. Talk to others who have held these positions. Gather information, reflect on your passion and commitment, and determine where your future path might take you. And I am always glad to answer your questions and visit with you as you consider taking the step to be a member of the MNWT Executive Council.

The following information is intended to help guide you in your decision-making process:

District Director

Administrative Vice President Michelle Kocak-Jones and your current district director can provide insight and information to help guide your decision and desire to serve as DD. By filling this vital role and communication link between the state organization and the local chapters, we can ensure districts and chapters are off to a successful start in the new year and remain well informed while on their journeys to success. Most districts elect their DD at their spring district meeting. Make your decision early to allow plenty of time for planning as you prepare for becoming a DD.

State Program Manager

Contact Programming Vice President Anna Nichols and the current SPM in the area(s) for which you might be interested. Ask, seek, and gather information from them to help you make a decision on bidding for an SPM position. They can assist you with the paperwork as you prepare your bid for Winter State Convention.

You might want to consider applying for one of the Programming Assistant positions if you are not ready to take on an SPM position. Contact me at cob@mnwt.org for more information on these positions.

Staff

Step right up! I can answer your questions and help guide you through the process of deciding whether a staff position is right for you. Staff positions are selected by the presidential candidate(s), and their staff selection process has many facets (i.e. experience, location, interest in position). By filing for staff and indicating your interest, you are placing your name in the forefront for consideration. Confidentiality is important should you decide to seek a staff position and your intent should only be shared with the Chair of the Elections committee (aka Chairman of the Board) at this time.

December 1, 2020 is the earliest date in which you may file your intent with the chairman of the board.

If you have questions or are interested in a District Director position, contact avp@mnwt.org.

If you have questions or are interested in bidding as a State Program Manager, contact pvp@mnwt.org.

If you have questions or are interested in filing for a State Staff position, contact cob@mnwt.org.
