cob@mnwt.org

**This Women of Today year marks the
70th Anniversary of the organization.**

We began in 1950 as the “Mrs. Jaycees” in Moorhead, MN.

Would you like to hear about the brave pioneering women that started this great organization, not only once but twice? Plan now to attend a special celebration the weekend of **January 24-25, 2020 in St. Louis Park.**

There we will celebrate 70 years of Mrs. Jaycees, Jaycee Women and Women of Today. You can learn more about our history, celebrate with many past state presidents, and see memorabilia from the past.

**Please join us at Winter State Convention for the
Anniversary celebration!**

Be sure to purchase your commemorative 70th anniversary stemless wine glass. They will be available at the state store for \$5.50 each or 2 for \$10. Quantities are limited.
