Greetings Women of Today Members!

Thank you to all the First timer's who attended convention. It was wonderful to see everyone and to see so many new faces. With all the new members that have joined us here are a couple of membership reminders:

Is your chapter healthy?

You have heard at one point or another us all asking is your chapter healthy? Do you have a variety of events for members to participate in? Are your members engaged? A great way to gauge if you chapter is well rounded is the Success System tool that is available to chapters. Below are just a few pointers that can help you on your way to a healthier chapter.

- An active, committed board – doesn't have to be full
- A mix of service, social & membership events every tri
- Actively recruiting and intentional about membership retention
- Engaged members who are showing up for events – at least once a tri though more is better!
- Positive energy – people you all want to be around.

Check in on your new members

As Trimester 1 has wrapped up, Welcome letters from President Anna were mailed to all new members. Along with welcoming members to our organization, these letters include information on programming, meetings and how to find us on social media! Please follow-up and ask if they have any questions. It's a great way to encourage new members to get involved. Each letter also has a \$5 gift certificate for the State Store. Encourage them to take advantage for sure!

Congratulations to everyone for a successful 1st Trimester. Let's keep Building Blocks to Something Wonderful.
