Hello All! I am a 12 year member of the Champlin Women of Today. I am looking forward to being the Future Directions Chair this year. I have served in many local positions and as well on the district and state levels. I know this will be a year of learning even more on my Women of Today Journey.

I love that we are an organization that really values the direction we are going in. I have been on many subcommittees over the years that has formed where we are today. Currently I am on the Restructure Committee. This is a fun group of women who have a passion for MNWT and deeply value the direction we are going in no matter what the issue/area being discussed.

We will continue to follow and review the strategic plan that has been put in place. Both Jen Kinzer and Brenda Sather put much effort into this work in progress. You can look forward to webinars being presented throughout the year. Our Go Green committee will keep us informed of their projects. These are just to name a few.

**What is Future Directions and what does this state committee do?** We advise and make recommendations to the Executive Council on the organizations structure, administration, and programming. We consider changes proposed by members and reporting committees and supervise the implementation of such changes.

The current Subcommittees of Future Directions are: Manual Review, Strategic Plan, Go-Green, Winter State Awards, and Online Training.

The current Task Forces under Future Directions are: Restructure, Programming Task Force, and Forms Review.

Interested in any areas above? Come join us at the Future Directions statewide committee meeting to find out more. Would like more details before then? Contact me at the above email address. All members are welcome and we would love to see you.

Let's have a great year!

Wendy Homyak

### Greetings & Welcome to the 2021-22 Membership Management Committee!

As this year’s Membership Management Chair, I am excited to be stepping forward to take on this role, however I must admit, I’m a bit intimidated at the same time. However, anyone who knows me, understands I look forward to challenge and am always challenging those around me to embrace change – it is the foundation to growing as an individual. I have been a member of the Monticello Chapter since 2014, serving as Membership VP, Secretary, State Delegate and President. Within District 5 I have served as Secretary and currently 2021-22 Treasurer.

I firmly believe that any organization’s most valuable asset is their people – whether it is in the professional/business world or in volunteer organizations such as MNWT. As Membership Management Committee Chair my goal is to lead this committee in establishing a platform to not only work to attain the long-term growth but to achieve sustainability of current membership through engaging activities and value-added programs. That is the **building blocks to SOMETHING WONDERFUL!**

For those that I haven’t met yet, I look forward to connecting with you. To share with you a little more about me, my husband Rodney and I live near Monticello tucked away on our 5-acres of paradise surrounded by ponds and gardens. We have been married for 41 years, have 4 children and 14 grandchildren. Of course, everyone knows, that I bleed Purple and Gold – I’ve been a Vikings season ticket holder for 14 years along with my daughter (No guys allowed – only gals. This is our mother/daughter bonding time). On July 2<sup>nd</sup> I will be retiring after working for the past 51 years – Oh what will I do with my time?? Why dedicate it to MNWT, of course!

<p><b>MMC Needs YOU!</b> Do you have a passion for investing in the future of Women of Today thru continued sustainable membership?</p> <p>If so, we can use YOU! MMC has openings for Area Reps &amp; At-Large Members to serve a one-year term on the MMC Committee. This involves working on a task force to develop the tools to support growth of our chapters.</p>	 <p>Make sure to Like &amp; Follow the MMC Facebook &amp; check out “Wonderful Wednesday” – each week members are encouraged to post something wonderful that happening in their chapter, something wonderful that happened to them or just plain ‘ole something WONDERFUL!</p>	<p><b>MEMBERSHIP - #1 Asset</b> Our chapter members are the most important asset – they are the building blocks to a successful organization. Take time to:</p> <ul style="list-style-type: none"> <li>• Listen &amp; Encourage</li> <li>• Mentor and guide new members</li> <li>• Acknowledge accomplishments</li> <li>• Recruit &amp; Retain</li> </ul> <p>All of these will generate positive vibes leading to <i>Something Wonderful</i></p>
