**Howdy Membership VPs, Presidents & Membership Supporters**

Welcome to the MNWT 2020 – 2021 year! Thank you for taking on the fun and sometimes frustrating position as your chapter’s Membership Vice President (MVP). For some of you this is your first experience with membership. Others have been doing this for years. The MNWT Membership team is here to support all of you. Please take time to read over my Chapter Information Packet (CIP) each trimester, along with the CIPs from the Chapter Management Vice President (CMVP) and Membership Management Committee (MMC) Chair.

Join me this year as we “**Gather Your Flock**” and get your chapter soaring to new heights. We know that coming into this year, all chapters have been faced with the challenges brought by the COVID-19 quarantine. It may have been quite a long time since your chapter members have been able to connect and even longer since you've been truly active as a chapter. Even if you have built in some virtual connections, most chapters are just starting to think about moving again.

As your chapter's MVP, you can play a big role and make a difference in what this time looks like and how your members reactivate. Every chapter across the state has its own personality and members within it that make it unique. Your chapter makes a difference in a special way by meeting needs of your community and members. It is through a strong and active membership base that the impact of the chapter can be greater for everyone. This CIP and my communications all year will focus on supporting the chapters (and you) to soar.

**Introduction**

I am genuinely excited to be serving as your MNWT Membership VP this year. I have been a member of the Burnsville chapter since 2009. I am passionate about what an impact each member can make in their chapter and how impactful our chapters can be on each of our lives. I have felt that even more so these last few months seeing my chapter members volunteer, make donations and work to support our communities...AND come together for each other to laugh, cry and be supportive. It strengthens my resolve that Women of Today has so much to offer us all 😊

I have two boys with my husband Anton, an amazing Women of Today supporter. My oldest, Aden (5), will be starting Kindergarten this year and Kieran (3) is in pre-school. It has been an interesting time this spring with distance learning and we are looking forward to enjoying the summer together. I love to explore, create, and make a difference with my family, with friends, and for myself, however that looks.

Over the course of the next year, I would love to get to know each of you and your chapters better. I am here to support you and your efforts to grow & strengthen your chapter. If you need anything please feel free to call, text, or email me.

Thanks,

## What role can Membership play?

Membership is the heart of your chapter. **New members** strengthen your local chapter and community. They equal more hands to help with projects and events, more friends to share ideas and inspire others, and more women to mentor and be mentors within your community. At the same time seeking new members should only be a portion of your membership focus. **Active experienced members** are critical to a healthy chapter. Each member needs to be recognized, included, and given growth opportunities. We are all valuable and you as MVP, can help share that message. Membership is more than numbers, it's the people we connect with and the communities we support. Let's work together to help your chapter **R.I.S.E.**

## Chapter MVP Fast Start

**Why Fast Start?** The MVP Fast Start is a tool for you to use to help you plan your year. It helps you focus your ideas and allows you to easily share your plans with your board/chapter.

**Why send me your Fast Start?** Sending me a copy of your Fast Start helps me understand your chapter. It is a first step of what will hopefully be a yearlong dialog between us. The more I understand your chapter and your chapter's unique needs, the better I can support you and your chapter throughout the year.

**Fast Start Part One:** Complete the three items below and email them to [mvp@mnwt.org](mailto:mvp@mnwt.org) by **July 15<sup>th</sup>**.

1. Complete a chapter Growth Plan (page 2, below).
2. Plan a membership event for 1st Trimester, include details on the event.
3. Describe your plan for membership within your chapter this year.

**Fast Start Part Two:** Make sure your chapter sends in their Early Bird Renewals by **July 15<sup>th</sup>**. See page 3 for help on how to collect dues and what Early Bird Renewals are.

## Membership in the Time of COVID-19

These are definitely interesting times for all of us and for your chapters, I am sure. We have all been challenged with finding new ways to stay connected with chapter members and finding ways to continue to make a difference in our communities. Even though we are beginning to come out of the "Stay At Home" phase and opening up to more public gatherings, you may find that chapter members and prospects are still wary of gathering publicly. This is an important time to continue to connect with members, reach out to prospects and promote how to engage even from a distance. Make sure members know that they are valued and they can be active, even when they are participating remotely.

**How can we engage members from a distance?** I find it funny that for every technology advance that we employ for connecting during this time, there is an "old school" solution that is just as effective. Now is the time to leverage both to find what works for your members. Here are a few ideas for engaging your members even when you can't get together all of the ways that you are used to:

- Hold Meetings online – If you need help with how to do this or what is involved, contact the Chapter Service Center or myself and we can walk you through it as well as offer tools. Even if you are meeting in person, you may want to continue to offer an online option for those still distancing.
- Send a card in the mail – Just a quick note to catch up
- Virtual book club – Pick a book and then gather in a few weeks to discuss or just have coffee or wine. This could be in person or virtual.
- Call a member you haven't heard from – Let them know you are thinking of them and miss them.

## What is a Membership Event?

Anything your chapter does is a great time to attract new members, yet a Membership Event (M-Event) is a specific social or project with the intent to attract and recruit new members. They are always open to guests, unlike a chapter social or project which may only open to members of the chapter or not focused on recruiting.

## What are Membership Weeks?

Membership Weeks are intended for you and your chapter members to have just a little more fun in Women of Today. It is one week each trimester where all the chapters of the MNWT can plan a fun Membership Social using the 5<sup>th</sup> week of a month. Use this time to share and celebrate your chapter members' unique gifts and talents and invite new members to join us. And, when we all focus on membership at the same time, we increase our visibility in our collective communities.

The 2020 – 2021 Membership Weeks are June 28 – July 4, 2020, November 29– December 5, 2020 and March 28 – April 3, 2021. Add them to your chapter calendar and start planning today!

*These are not new ideas but lean on what works to stay connected.*

\* \* \* \* \* **Growth Plan – The Basics** \* \* \* \* \*

**Your Chapter Growth Plan Simplified**

Create a new growth plan each year for your chapter. This visual for yourself and your chapter is an excellent way to stay focused on the overall health of your chapter in a non-intimidating way. Using these steps will make your job as MVP easier. Remember, **chapter growth equals new ideas, enthusiasm, and even more hands** to help support your own community. The official MNWT form can be found here: [http://www.mnwt.org/pdfs/otherPDFs/bof/mnwt\\_growthplan-2016.pdf](http://www.mnwt.org/pdfs/otherPDFs/bof/mnwt_growthplan-2016.pdf). Feel free to use this simplified form if you find it easier.

Step 1: Enter your May base (# of members on your chapter roster at the beginning of May). \_\_\_\_\_

*When you receive the Dues Billing from MNWT CSC, make sure this number matches your roster.*

Step 2: Plan your chapter's growth by entering the total number of members you would like to have at the end of the year by adding a minimum of 1 to the total number of current members on your chapter roster May Base (from step 1). \_\_\_\_\_

*More active members = ability to better serve your community and reduce chapter fatigue*

Step 3: Look at your chapter roster and count the number of members due each trimester and enter below. These three numbers should add up to equal your May Base (step 1).  
1<sup>st</sup> Tri. \_\_\_\_\_ 2<sup>nd</sup> Tri. \_\_\_\_\_ 3<sup>rd</sup> Tri. \_\_\_\_\_

*Again, double check that your roster matches your MNWT dues billing form*

Step 4: Consider how many members will be renewing each trimester and enter below.  
1<sup>st</sup> Tri. \_\_\_\_\_ 2<sup>nd</sup> Tri. \_\_\_\_\_ 3<sup>rd</sup> Tri. \_\_\_\_\_

*Review each name on the roster. Are they Active? If not, do you know why? Is there something that can be done now to get them active. How can other members help get them "activated" and engaged? Newer (1 or 2 years) might need an orientation, be invited specifically, or need a "Big Sis" or buddy to help engage.*

*Experienced members may feel they are out of the loop and not sure how to jump back in. Let them know there is a place for them and welcome them with open arms.*

*Active members with a vested interest in fellowship and helping within your community will want to renew.*

**Activity is CONTAGIOUS!**

Step 5: Add all three numbers from step 4. \_\_\_\_\_

Step 6: Subtract step 5 from step 2 \_\_\_\_\_ . This is the number of new members you will need to achieve the ideal growth stated in step 2 this year.

*What opportunities need to be on the calendar each month to attract these new members? What challenges can you put it out for members to encourage them to recruit? What marketing needs to be done & where to attract new members?*

*There are many tools include in this CIP that can help you reach your membership goals. Hint: The more members that renew equals less new members needed to meet your goal.*

Remember to email or "snail" mail the MVP a copy of your chapters Growth Plan. The more information the membership team has, the better we can help you support your chapter and community.

## Retention

Members are the lifeblood of your chapter and through them the chapter identity is formed. Each member joined your chapter for a reason, and they stay members for different reasons. One key to retaining and having active members is that their needs are being met...connecting with friends, having fun, growing personally, or contributing to their community, etc. When the chapter is offering opportunities to support our members and recognize them, we increase our chapter's positive energy vibe. Use these tips to help your chapter reap the benefits of positive energy. It only takes a few hours each trimester to make a difference in your chapter's energy, membership involvement, and community imprint.

- Do not let asking for membership dues be the first or only personal contact you have with members.
- Consider personal phone calls to all of your chapter members once per trimester. Personally invite them to an upcoming meeting or activity.
- Remind members at your chapters general meeting and in newsletter articles that all levels of participation are welcome. Remember to respect each member's choice for their level of involvement. They can come to socials or just work on one project if that is what is right for them.
- Highlight different members each month in your chapter newsletter or on social media. Share a word of thanks, praise, congratulations, or even a "we missed you at \_\_\_\_". Have a section in your newsletter where members can send notes to each other.
- Hold a "members only" social (chapter social) a minimum of once per trimester. Send personal invitations. Have a game night, movie night, dinner out, or any other activity your chapter members would enjoy where they can connect with friends and build their bond as a flock.

## THINKING OF YOU CARDS

Each chapter will receive a packet mailed to the President or the chapter mailbox. In the packet, you will find postcards and mailing labels for each chapter member on their Tri 1 roster. Use your cards to reach out to your chapter members and let them know you are thinking about them. Get the chapter board involved to split up the roster or do the notes yourself. As many chapters may be just getting together for the first time, this could be a great way to invite them to an upcoming social or meeting. Regardless, these are a tool for you to reach out to all members and let them know you value them and look forward to seeing them soon.

Note: Postcard postage is 35¢

## WOW! WHERE DID THEY COME FROM?

*Have you ever been at convention and heard it announced..." Chapter has 6 new members this trimester!" And then after clapping graciously said to yourself, "How did they get 6 new members??"*

*It can be done and it is being done AND we are going to share this with you! Each trimester, we will share these stories on Facebook, in NEWSLET and in future CIPs. We will be reaching out when we see the New Member Adds come into the Chapter Service Center to hear your stories and spread the secret so that others can be inspired.*

*Have a great idea to share? Send an email or FB message to MVP Tevyan at [mvp@mnnwt.org](mailto:mvp@mnnwt.org) or the MNWT Membership page. And invite me to your events. You never know who will show up!*

## Recruitment

Now is the time to get creative with where you are looking for new members. Use the combined brainpower of your members and have an idea session. How did each of you find out about Women of Today? What worked for you? Are those channels still there or something similar to attract new members? Don't be afraid to reach out.

Review who has "liked" your social media posts. Is someone local? Do they have a connection in the chapter? Reach out and say we noticed you & invite them to come check the chapter out.

Look for new members outside of your chapter circle. Hold bi-monthly one hour meet and greets. Post the information on Facebook, your local newspaper, online neighborhood groups, and bulletins at your places of worship. Bring a chapter member or two with you and be ready to share why you are so passionate about your chapter. Have a printout of upcoming events a perspective member could attend and remember to get their name and email/phone number. A few location ideas include coffee shops, libraries, and farmer's markets. You may not always get the desired response. Keep trying and mix it up. There are many ideas for different activities you could do on the [mnnwt.org](http://mnnwt.org) website. Need more help, call me.

# \* \* \* \* \* Taking Action \* \* \* \* \*

## Orientation

Members become activated much faster and feel a greater sense of belonging when they have a sense of the Who, What, When, Where, Why & How of the chapter and greater organization. Having a new member orientation promptly after joining is a great way to bring them up to speed. Taking a check-in three to six months later is also a good practice as that first orientation can be a little overwhelming.

Yet, it is not only new members who benefit from occasional updates. Chapters tend to ebb & flow on their attention to orientations and not everyone receives one when they join. Also, things change with the chapter, the state organization and with member's interests. Mini orientations, trainings, an article in your chapter newsletter or a report at a chapter meeting can all be ways to deliver information to members, regardless of their tenure with the chapter. You never know what will stand out to someone and encourage them to become active in a new way.

**What creative way can your chapter help orient members (new or longstanding)?**

## MINI-ORIENTATIONS

Mini orientations can be used as a "refresher course" for the entire chapter on a variety of topics. You can devote a few minutes at your business meeting or put an article in the local newsletter as a way of informing new members as well as updating others on a particular area. Local officers or LPMS could do this for their areas.

Suggested topics include:

- Organization Structure
- History of the local chapter
- Local Officers
- Awards
- Programming
- Publications – timing, how to submit
- State, Area, District meetings
- Acronyms
- Plan of Action & Goals
- Bylaws & Policies
- Sign-Ups – what types to use, when
- Definition & types of non-profit organizations
- Reporting at a meeting

## GET TO KNOW YOU

Members come and go from chapters every trimester and while we may do a good job introducing the new members, we often forget to introduce the existing members.

So here is a chance to get to know all of your members! I invite you to have ALL of your members fill out a "Get To Know You" form. You can use the one at the end of this CIP or make up your own and share with your members. When you have collected them, you can share out as chapter directory, put some in your newsletter each month or share throughout the year with your chapter. You can even make a game or give an incentive tied to it. Keep a copy in a binder to have at meetings too.

And you can use this information to help with ideas for the year...causes, skills, incentives. The possibilities are endless!

## Activation

Activation of members means getting them involved. With enthusiastic, activated members, your chapter will be able to run a variety of projects, create lasting friendships and increase retention. Having active members in your chapter sets a good example for new members to join and become active themselves.

We all either know or belong to that chapter where on the best day only half of the members show up for anything, and often is the same half. So instead of 18 members, you really only ever have the support of 9 or 10. Think what kind of a difference your chapter could make in the community if ALL members were active and engaged. It can happen!

A few ideas for activating members are:

- Call and invite them to meetings or events
- Ask them to co-chair a project with someone
- Ask them to partner with someone to bring refreshments to a chapter meeting
- Spotlight them in chapter newsletter or on social media
- Create a GET TO KNOW YOU book about all of the chapter members
- Find out what is keeping them away...can you make it easier?
- Break down commitments to small steps that are more manageable
- ASK THEM TO GET INVOLVED 😊

For more information about SUCCESS see [mnwt.org](http://mnwt.org)

### USWT Membership Recognition

**Gold Chapter:** When your chapter has 75% Retention and signs 4 new members during the trimester, they will be given Gold Chapter recognition from the USWT.

**Friendship Day:** This is celebrated the First Sunday in August, but you can plan an event any day in August. Friendship Day is a day set aside by the USWT to encourage members to get to know each other a little better and to have fun in the process. For chapter recognition, complete the Friendship Day Form and return to [mvp@uswomenoftoday.org](mailto:mvp@uswomenoftoday.org) no later than Sept. 1<sup>st</sup>.

**One a Month Club:** To achieve One a Month Club status your chapter needs to sign one new member every month for the MNWT year (May – April). New members must be reported to the Chapter Service Center before midnight of the last day of each month to be counted.

**Fellowship Builder:** The Fellowship Builder Award is given to those chapters that take Friendship Day a step further by holding three more socials during the year. For chapter recognition, please complete the Fellowship Builder Form and return to [mvp@uswomenoftoday.org](mailto:mvp@uswomenoftoday.org) no later than April 30<sup>th</sup>.

USWT forms can be found here: <http://mnwt.org/bof/index.php>  
Enter "USWT Forms" in the *Select Form by Category* option and press "GO"

### **1st Trimester Membership Challenge**

**Let me hear your ROAR!** Complete the four actions below and email details of them to [mvp@mnwt.org](mailto:mvp@mnwt.org) by Aug. 28<sup>th</sup>. Remember to include your chapter name in the email.

**Recruit:** Hold an M-Event & invite me to it.

**Orient:** Conduct a new member orientation or present a mini-orientation at a chapter meeting.

**Activate:** Invite members to fill out a "Get To Know You" form and share results back to your members.

**Retain:** Send out "Thinking of You" postcards to members.

# \* \* \* \* \* Dues \* \* \* \* \*

## How to Handle Trimester Dues

- The dues billings will be mailed to your chapter once per trimester (June, October, and February). It will also be emailed to your MNWT chapter email. (Need chapter email help? Contact [csc@mnwt.org](mailto:csc@mnwt.org))
- Individual chapters may handle collecting dues differently. Discuss with your chapter's president and treasurer to define your roll in the process.
- Each trimester, as MVP, you should contact all of the members in your chapter up for renewal and ask them to renew. Do not assume a member is not going to renew. Keep calling them until you talk to them and not their voice mail. If calling people does not come to you easily, try one or both of these two tricks. 1) The month before you start calling members put a little note in your chapter's newsletter reminding members you will be making dues calls soon. 2) Practice making the call with a close friend or your chapter's president.
- Take the pressure off of collecting dues at the last minute and send in as many of your trimesters renewals as possible by the **EARLY BIRD** deadline, postmarked by July 15th (1st tri.), Nov. 15th (2nd Tri.), and March 15th (3rd Tri.). **How does a chapter get Early Bird Recognition?** A chapter qualifies for Early Bird Recognition when 75% of their overall total renewals for the trimester are submitted to the CSC (MN Women of Today Chapter Service Center, PO Box 44242, Eden Prairie, MN 55344) by the early bird deadline. An example would be; 10 members are due 1st trimester. 6 paid before July 15th. The information and dues were sent to the CSC postmarked by July 15th. 2 paid by August 15th. The information and dues were sent to the CSC postmarked by August 15th. 6 (renewals postmarked by Early Bird deadline) divided by 8 (total renewals in the trimester) is 75%, and so early bird recognition is earned.
- Your chapter should return the dues billing to the chapter service center along with a check for members' dues postmarked by the trimesters due date (August 15th, December 15th, and April 15th) to avoid a \$10 late fee. **If your chapter does not have anyone renewing, your chapter still needs to send the billing in marked no renewals.** Don't forget to call the CSC (952-406-8578) between 6:00 pm and 10:00 pm on the scheduled closeout dates (Aug. 31<sup>st</sup>, Dec. 30<sup>th</sup>, April 30<sup>th</sup>) to report any last minute member renewals, new member adds, and to talk to membership about your chapter's health, needs, and success.

### USWT Add & Change Form

New this year is an **online** Add & Change form. Even though this is a USWT form, the information will also be sent to the Minnesota Chapter Service Center.

#### When to use:

- Adding a New Member
- Changing a member's contact information (address, phone, email, etc)
- A late renewal (renewing 1 or 2 trimesters after the trimester they were due)

#### When not to use:

- Trimester renewals

Chapters still must send in payment per deadlines to CSC and are welcome to send in New Members or Changes directly to the CSC.

Link to form can be found on MVP homepage on [mnwt.org](http://mnwt.org).
