## Fall State 2017-2018

Hello Women of Today Members,

I hope you are all having a great year and are enjoying meeting and visiting with President Shelli at your chapter, district or state events. If you haven't already, take time to introduce yourself to Shelli when you are at an event she's attending. Shelli loves meeting new people and enjoys talking to you about what is happening in your chapter.

### Photo Books

At the end of the year, the Rice Chapter will be compiling Photo Books to be presented to President Shelli full of pictures of her year as president. Please forward copies of pictures that you take when President Shelli comes to visit your chapter or district meetings or events. I am also looking for pictures of your chapter activities / projects. If you do have pictures, you can send them electronically or you can give them to me at conventions or mail to me.

In addition, if you have any mementos of events that President Shelli attends, please send/give those to me as well so that the Rice chapter can include those in President Shelli's year-end scrapbook.

### Scrap Book

Your District Director received a 12 x 12 inch scrapbook page for each chapter this weekend at Fall State Convention. We are requesting that each chapter and district prepare a scrapbook page (front and back) including pictures and mementos of events from your chapter. The completed pages are due to me by March 3, 2018. These will be compiled into a large scrapbook and given to President Shelli at Annual Convention.

### Year End Gift

It is tradition to present the State President with a gift at our year end Annual Convention to show our appreciation for her leadership this year. We ask each chapter and district to please donate \$10 to this gift. Please make the check payable to MNWT and mail to me at the address above and put "President Year End Gift" in the memo space.

Thanks for helping to make this a memorable year for President Shelli!
