I am excited this year to be serving as Presidential Assistant to Cathy Shuman, the 70th State President of the Minnesota Women of Today. I will be assisting President Cathy and her staff to ensure they have a successful year. So... Let's "Connect"!

Barb

CHANGE IN CHAPTER SERVICE CENTER HOURS

Starting June 1st hours will be:
Tues, Wed, Thurs 11am – 4:00pm

You can't connect the dots looking forward; you can only connect them looking backwards. So you have to trust that the dots will somehow connect in your future. You have to trust in something — your gut, destiny, life, karma, whatever. This approach has never let me down, and it has made all the difference in my life."

Year End CHAPTER Scrap Book:

As in last year, I will ask each chapter to purchase a 12 x 12 scrapbook page to highlight their chapter. (please scrap on both sides)

Year End EXEC COUNCIL Scrap Book:

Same as above for everyone on Exec Council.

Year End Photo Books:

At the end of the year, the Monticello Chapter will be compiling Photo Books to be presented to President Cathy full of pictures of her year as president.

Please forward copies of pictures that you take when President Cathy comes to visit your chapter or district meetings or events. You can send them electronically, or give them to me at conventions, or mail them to me at the address on this page. Or if sharing on social media, please use #MakingConnectionsCathy.

Privacy setting must be set to public

Year End Public Relations Scrap Book:

If you have any mementos of events that your chapter holds, please send/give those to me as well so that the Monticello chapter can include those in President Cathy's year-end scrapbook. These may include newspaper articles, flyers, brochures etc.

ASK THE ASSISTANT

Dear Assistant: I'm confused...does it really matter what side I wear my nametag on? Just as long as people can see it does it really matter?
Signed; Confused

Dear Confused:

While it's easier for people to attach name tags to their left side, the correct placement is on the right.

The reasoning is so that it sits along the eye path when shaking someone's hand. You first look at their hand, follow the arm up, note the name tag, then continue to the individuals face to engage them in conversation. Signed; The Assistant 😊
