I continue to be amazed by the dedication of our members helping Wishes & More during these crazy times. We assisted with 2 large mailings, continued to make financial and in-kind donations, as well as donated time. Thank you for your continued support in “unlocking wishes”. The impact MNWT has had for the previous three years definitely will not be forgotten as our priority area contract ends in April. I plan to continue to support this great organization and hope others will as well.
