Wow first Trimester flew by so fast.

I would like to thank those that participated in the Liver Life walk.

So proud of those LPM & DPM that did your fast start, awards are in the District bags.

With all of us so busy we tend to forget about our self, our physical, and mental health. So **T**ake charge by filling out the USWT health and well certification.

I'm also looking for nominees for Outstanding Lois M Christensen Women Who Impact award.

Register Today To Be An Organ Donor At ORGANIZE!

ORGANIZE is a non-profit that aims to simplify the donor registration process by expanding the variety and number of places people can register. They've created the country's first-ever centralized registry and are now working to emphasize the need for conversations surrounding organ donation to take place among next-of-kin. Go to [www.register.organize.org](http://www.register.organize.org) to register to be an organ donor!

**Couldn't do the walk?** Make a Difference is a new way to take action in the fight against liver disease. Garage sale, bowling tournament, personal challenge-whatever the fundraising idea, ALF can provide you with the tools to make it happen. Learn more by going to <https://alfmad.org/>
