Membership Vice President, Tevyan Sorenson [mvp@mnwt.org]

- Welcome the **26** new members this trimester. They join the **190** members who renewed their membership. We had **39** chapters with 75% retention or higher with **25** chapters sending in renewal information by the early bird deadline. Wait a minute! Did I hear there is a global pandemic going on? Despite all of the challenges this has brought this year, you all found a way to gather your flock to your chapter. YOU did amazing things this trimester. As a state we hit 75% retention for only the 2nd time in the last decade and we are continuing the positive momentum we have seen the last few years. We added 26 New Members. AND that was with social distancing! You brought these ladies into your chapters by extending a hand of fellowship in so many creative ways to those who were looking for fellowship and a place to make a difference. Thank you for giving them a home to land at. Let's take this positivity and encouragement you are seeing here and move forward to welcome in even more. When this weekend is done and you are back home, take a moment to think about how your chapter can achieve 80% retention and sign 2 new members this trimester. Slow and steady growth will strengthen your chapter's foundation and in return help your chapter make a bigger impact for your members and in your community.
- Thank you to the **9** chapters who let me know that they held events during the 1st trimester Membership Week. The winner of the Membership Fun Box is **Staples-Motley Area**. The date for our 2nd Trimester Membership Week is **November 29th - December 5th**. Email me about your event for a chance to win 2nd trimesters Membership Fun Box. For more information on Membership Week, please see page 4 of my CIP.
- It's time for the 2nd Trimester Membership Challenge. Entries are due by **December 12th**. I am asking each chapter to hold a M-Event (a membership social) where they are publicly promoting the event and recruiting guests AND hold a separate R-Event (a retention social) where you are celebrating your membership, with or without outside guests. Email me at mvp@mnwt.org about your events and you will be entered into a drawing for a prize at Winter State. All details can be found on **page 4** of my CIP.

Programming Vice President, Anna Nichols [jvp@mnwt.org]

- I have a very exciting announcement. Yesterday at the Exec Council Meeting we voted in our new Women's Wellness SPM. Please join me in welcoming Jeny Ohr from the Coon Rapids chapter to the team.
- What an amazing 1st Trimester we have had. Yes, it was different and difficult at times, but still amazing. In just one trimester we increased our reported programming participation by 5% over all of last year. This tells me that it's not always about the large fundraisers and activities. Our members can do amazing things to support each other and our communities one project at a time. A heartfelt Thank you to everyone one who has been doing what they can this year to support programming. Please keep sending in your trimester programming reports and sharing what your chapters are doing. Even in a pandemic, together we are making a difference in our communities.
- It would not be a Business meeting without a few PVP awards. The chapter winning my Mini Facebook programming/membership challenge is Byron. AND the chapter winning my trimester report challenge is Brooklyn Park. For more information on my 2nd trimester challenges and fun programming updates, read my CIP and keep an eye out for monthly PVP updates coming directly to your MNWT chapter email.
- Each year our members have an opportunity to review and evaluate our five programming areas. This year's the MNWT Annual Programming Review Form is due October 15th. You can find a link to the form on the MNWT website, the Programming Facebook Page, in the 2nd trimester Programming newsletter, and chapter emails from the PVP. Your responses are an important part of the MNWT programming process and help to create future programming improvements.
- Later in this meeting we will be voting for the next three-year priority area organization. The two bidding organizations are Crescent Cove and Ronald McDonald House, Upper Midwest. There will be no discussion allowed before the vote. We will have a roll call vote by chapter. Please note, all of your assigned voting delegates will need to be online and present during the vote.

- ★ The Persons with Determination (PWD) award is an updated, modernized version of the Outstanding Person with Developmental Challenges award. It acknowledges that not all challenges are developmental and that everyone's journey to overcome adversity is unique. This award is designed to honor an individual who has persevered and forged new paths through obstacles to become an integral part of their community. Your nominations are due by November 1st. Let's work together to make the first year of this award a huge success. I am challenging every chapter to look at the members in your community and find your Person with Determination to nominate.
- ★ I have two 2nd trimester challenges. First, I am putting out a challenge to every member, chapter, and district to send at least a \$5 donation to help fund the PWD award and honorarium. - ★ Sitting in meetings for a long time can be hard and we can get distracted, lose focus, get bored. A few tricks to help you are to wiggle your toes, doodle, drink water, or chew gum. I know we are all sitting in front of our computers more and more now and I have a hard time staying focused so I use these to help me retain the information and stay engaged.
- ★ Thank you Darlene Matthies, Dawn Hendricks, Karen Cogger, Melissa Luna, Sue Knuckey, Candy Freeman, Dottie Voigt, and Cindy Sobzyak for sending in your fast starts. Your incentive is in the DD bag..

- ★ It isn't too late to support the Wishes & More Annual Gala in January. I will still be taking donations of items they can use for the Silent Auction. What is great is that even if the Gala can't happen....they have a platform to have a successful Silent Auction online, which they did at the Golf Classic. You can put together a basket, or even easier, donate items and they will combine them with other things and do the creative work themselves. Contact me and we will figure out how to get them to the office in Fridley.
- ★ Exciting UPCOMING EVENT.....Next Weekend September 26th and 27th.....Bring your family and friends and join other Women of Today members at Thor's Taphouse/Aamodt's Apple Farm in Stillwater for a fundraising event to support Wishes & More. This event is part of WAMs Brewery Justice League program, but has been specifically coordinated by myself as a MNWT representative. Women of Today volunteers are needed to provide information and collect monetary donations throughout the event. The owners of Thor's have given us an entire weekend to fundraiser for a great cause. It does everything from supporting special therapies and lifesaving research to providing mortgage and rent relief to patient families. That touched my heart. If it touches your heart it is easy to donate. I have a plan that if every chapter donates at least \$2 we can give Children's MN \$100. I will have instructions on how to donate in the Youth of Today CIP, which will be available after convention. I have confidence that we can make a difference by donating to this fund. **After all this is Women of Today. We find a way.**

Anyone who submits to me the correct answer will be submitted for another drawing and I will share on FB the correct answer. I need to know your answer by 10/31/20.
