Fall State Convention  
Details and Registration

Dear Minnesota Women of Today,

This summer and first trimester are sure flying by fast. As I am sure many of you can relate, I have been busy shuttling my boys between camps, sports, playdates, and trying to keep them entertained. I have been trying to work in some self-care as well which included taking my niece for a fun weekend in NYC in June. And all of this while working on all that we have committed to supporting in MNWT this year. While the to-do list continues to grow it seems, I am encouraged by what we have accomplished and how many of you have been participating this summer.

After completing the Membership challenge in June, you all added 25 members! So we celebrated Founder's Day on July 1st! It was wonderful to join USWT President Jane Hanson, USWT and MNWT Staff members, and several MN chapter members in Minneapolis for the lighting of the I-35 bridge in red, white & blue. I especially enjoyed seeing social media posts and hearing from chapters how many of you celebrated as well. This is one of the best times each year to get members together!

And while it is always fun, it has not been all games. The Exec Council and I have been delivering on training commitments this summer. I traveled with CMVP Shirley to the St James chapter to deliver board training and then we met with 17 new members on Zoom to deliver the new State/District Orientation. We are refining our materials this year for this offering as it is the second part of a revamped New Member Orientation process. The first part is a new editable Chapter Orientation presentation that is available on [mnwt.org](http://mnwt.org). We are asking all chapters to deliver this (or your own) chapter-focused orientation to new members in their first trimester of membership. This is designed to help you get these members engaged quickly and up to speed on how your chapter operates. The next step is to introduce them to Women of Today beyond the chapter later in their first year of membership. We will be delivering this orientation training each trimester this year with the intention to make this a permanent offering. Please encourage any members who have recently joined or any members who would be interested to join the next Orientation on November 14th.

Like me, I'm guessing that you may have had some ups and downs these first months. Rather than focus on what we have left to do, I'm choosing to focus on what we have done and encourage you to do the same! We have held a great President Zoom to work on Fast Starts and Chapter Plan of Actions, held State Wide Committee Meetings, introduced monthly REACH calls, and planned a fun & informative President/State Delegate Retreat. And even more opportunities are coming up in September at Fall State Convention.

We are looking forward to a great weekend in Baxter for Fall State. Check out the Convention Overview in this Chapter Mailing for a rundown of all we are have planned. We are looking forward to bringing more information to all of our members to support you in strengthening and growing your chapters. If there is anything you would like offered, please reach out. In closing, please take the time to review what is included in this Chapter Mailing and we encourage you to forward it to all your chapter members.

## Membership Team

Happy August MVPs...and that's all of you!

Thanks to all chapters that have submitted their Early Bird renewals. All renewals are due by August 15th and New Member Adds are due by August 31st. We are holding a statewide closeout on Zoom on Friday, August 30 from 5:30-8:30pm. We would love to have a representative from your chapter come online and visit with state staff about how your trimester has gone and what you have coming up. We will be doing a gift card drawing every 30 minutes for those who join the Zoom. We will also be making calls out to some chapters so please look for our call if you don't zoom in.

We enjoyed seeing New Members on the State/District Orientation Zoom. We encourage all new members to join us for the next Orientation on November 14th. Information will be sent to all chapters and emailed to new members in their 2nd or 3rd trimester of membership.

Membership Week is going on now and we hope you all were able to gather with your chapters and kick-off the Olympics! If you are looking for more information or ideas about retention or recruiting, make plans to join the Membership Zoom on August 15 at 6:30pm. All are welcome to join!

We are looking forward to gathering with you all at the Fall State Convention. We will be celebrating membership in so many ways and congratulating you all on how you are promoting your chapters and connecting with your members despite all of the challenges! Speaking of challenges, President Tevyan has a challenge for us to get to 65 new members for Tri 1. Each time a new member is signed up, that chapter will go into a drawing. And for every 10 new members, Tevyan will draw for a \$50 donation to a chapter. Sign more members for more chances! AND don't forget that all chapters receive a \$10 rebate from the Foundation for each new member signed up to \$50. Challenge accepted??

## **Sue Bay** **Women's Wellness**

Keep those wiggle wiggles coming! Who knew we can have so many laughs just being silly and moving our bodies.

Summer can offer so many options to keep your body movin' and grovin'. I recently attended Aqua Zumba and had a blast dancing in the water. My sweet 2 year old granddaughter, Stella, loves to go for wagon rides. I jump at the opportunity to put her in the wagon and pull her around the block. I have some friends that enjoy getting a little more dirty and a group of them did a mud run. I guess you are never too old to play in the puddles. My focus is primarily to encourage you to stand or move your body in any form you enjoy. Keep the wiggles and giggles coming.

Don't forget to nominate a local program manager (LPM) for outstanding Program Manager in one of the programming categories. Nominations are due September 2nd.

## Project of the Trimester and Outstanding Programming Manager Nominations

Due: September 1st

Be sure recognize your projects during the 1st trimester and enter them to earn a chance to receive the Project of the Trimester Award at Fall State Convention.

Has your programming manager in your chapter or district been great adding ideas and events to support the Programming Areas? Recognize their efforts by a nomination for the Outstanding Programming Manager Award!

**Amy Pumper**  
**Chairman of the Board**

As we head towards celebrating our 75<sup>th</sup> Anniversary at Winter State, here is more on the beginning of our organization:

In 1951 -June (Ogle) Lees of Mankato served as our state president and her husband, Art, served as the Jaycee state president– in the same year! As the organization concentrated primarily on keeping the members active and interested, they also focused on extensions. There were six state committees, each assigned to a chapter. The organization felt the need for a creed to define the group and give an aim and purpose. Each chapter was encouraged to submit ideas and five did. So, the Virginia chapters' creed was accepted and is still used today. Nine new chapters joined the organization, bringing the chapter member number up to 17. Proposed Operating State Budget for the year: Expenses \$107.88, Income \$137.

1952 -This year was a trying one; one that Delores (Maase) Templeton of Minneapolis would long remember. Minneapolis hosted the National Jaycee convention in June and being the true Mrs. Jaycees that we were, we were right there– ready, willing and able– assisting the Jaycees. As a moneymaker a Paul Bunyan-land cookbook was put together, and these were sold as National Convention souvenirs. The national delegation had its own “uniform”- green shirts, red skirts and red hats were the uniform.“This year because of the unprecedented polio incidence, it is essential that the 1953 March of Dimes Mothers March in January be successful...It is my sincere hope that our organization will make a substantial contribution to the March of Dimes.....” Mrs. Delores Masse, President Mrs. Jaycees 12/52

1953 -Several FIRSTS will be remembered as a part of Betty Gerth's year. This president, from Pipestone, was at the helm when several new initiatives happened– the first roster– using a small, mimeographed booklet with the names and addresses of chapter officers. The first statewide service project, Toys and Joys, was adopted. This project continued for four more years. A Distinguished Service Award was also given. This recognized an outstanding Mrs. Jaycee member. Later this award was presented to three outstanding chapters and for several years an Outstanding State Chairman Award was also presented. Another first was the implementation of the Lady Mile trophy. Mrs. Jaycees now boasts 23 chapters.

1954 - Mankato had the distinction of being the first chapter to give us a second state president– Bette Koeppen. Bette was the first state president to have three regional vice presidents to assist her. The voting procedures for our organization were changed for the first time. In addition to “Toys and Joys”, we added the Assistance to the Mentally Retarded project, which was to be permanently adopted in 1956. They grew from 22 chapters to 31 this year. This year marked our first year of working with the March of Dimes in the fight against polio. A big addition to the organization was the purchase of a typewriter. Jaycee All-State meeting agenda for Mrs. Jaycees (September 18, 1954) 11:30-12:30 Noon luncheon ~12:30-1:30 Cooking School ~ 1:30-3:00 Women's Meeting

1955 -Shirley (Schwartz) Barenbaum of Hibbing served as our next state president. She had been one of the three VPs to serve the previous year under Bette. Shirley remembers much enthusiasm and the importance of spreading the Mrs. Jaycee message and name as highlights. The National Convention was held in Kansas City and once again, we assisted the Jaycees by supplying 3500 paperweights to be used as convention souvenirs. Programming areas under consideration were Civil Defense, Miss J. C. (Junior Citizen) and Children's Home Society. This was also the year the first mimeograph machine died.

Have you ordered your ONTO Shirt yet? Contact me if you need the form. Orders are due September 5<sup>th</sup> for you to pick up at convention. There will be some available for sale at Fall State, but it is better to order ahead to ensure you get the size you need.

Do you have ONTO shirts laying around that you would like to share? An ONTO shirt quilt will be made for members to buy chances at Winter State. Shirts need to be to me by Fall State. I have quite a few – let's see how many more we can get!

Make plans to attend USWT Midyear meeting in Omaha, NE October 11-12, 2024. The registration form is online. It is sure to be bushels of fun!

### **Membership Management Committee**

Here to Support YOU!

Hello Minnesota Women of Today (MNWT) Membership,

By now you have had a few months to get used to your current roles within your chapter. Hopefully you have received the needed training and support. The Membership Management Committee (MMC) is your committee. It is here to support membership across all levels of MNWT and all MNWT members are invited to attend our meetings. We have one meeting each trimester where we hear from the MVP, CMVP, and Extensions about what is going on throughout the state and share any needs they have the committee can support them with. This is also where new MNWT membership policies and promotions are created. Our meetings are best if attended in person, but a zoom link can be provided to those who are unable to travel. Please reach out to me at [mmc@mnwt.org](mailto:mmc@mnwt.org) if you would like the zoom links emailed to you before each meeting.

Have you seen the MNWT Leadership Toolbox? The MNWT Leadership Subcommittee has created a series of seven (7) training courses and two (2) activities to support Leadership within our organization.
