

## Goals and Implementation

### I. Complete at least two(2) extensions during the 2024-2025 year

- a) Educate members on extensions (what an extension is, why we need extensions, how to get started, etc.) through forums, articles, posts and emails.
- b) Promote the Extensions process to districts and chapters each trimester.
  - i. Offer challenges for districts and chapters each trimester to work with a potential or chartering chapter.
  - ii. Work with the MNWT Foundation to offer monetary incentives to the chartering chapter for completing their extension.
  - iii. Provide information and updates on extensions through CIPs, Chapter Mailings, NEWSLET, social media and emails.
- c) Facilitate the extensions process with at least one potential chapter each trimester.
  - i. Utilize the Extension plan to coach the extension team through to a timely completion.
  - ii. Engage the USWT Extension Director for support as needed.
- d) Establish an extension team to support the "2 and under chapter" through to graduation.
  - i. Work with chartering chapter to complete all legal and necessary paperwork and chapter setup activities.
  - ii. Support chartering chapter in filing for financial assistance available through MNWT, USWT and other sources.
  - iii. Create and execute an initial plan for first trimester as a chapter. Engage MNWT and USWT resources as needed.
  - iv. Create a high-level plan to support the chartering chapter through to 2-year anniversary and graduation.
