Hello!

WOW can you believe it is already the end of the 2nd Trimester?! I have to say this has been a fun year so far! You are all doing an amazing job! I love reading your project submissions and hearing about the ways you are getting out in your community. This SPM position has been a blast. I would highly encourage you to take the time and talk to our PVP Michelle Kocak Jones about being an SPM. Keep up the great work! I am proud of all of you!
