

**Name of Project:** Bookmark Kits For Kids

**Chapter Submitted:** Duluth

**Programming Area:** Youth of Today

**Type of Project:** Service

**Project Goal:** To create an activity for kids that would encourage them to read and socialize.  
Donate the kits to libraries and explain that they are for the children to assemble

**Planning Steps:** Collect the following items:

- Bookmarks
- Stickers
- Ribbon
- Quart Bags
- Baskets
- Signage
- Labels

**Project Details:** Assign members to prepare the bookmarks, stickers, and ribbon. Another to make the signage and labels.

Create an assembly line to fill each quart bag with a bookmark, stickers, ribbon, and an explanation label.

Placed the completed kits in baskets. Members created signs for each basket.

**Ways to Promote:** Baskets of the bookmark kits were brought to area libraries, along with signage promoting an activity for kids visiting the libraries.

**Key Takeaways:** An outstanding Youth of Today project and a fun marketing tool.
